

LETTERPRESS PAPERS AND INKS

OUR HOUSE PAPER

Crane Letra paper is a 100% tree free cotton paper (made in the USA from a byproduct of the cotton industry). It was designed specifically for letterpress and has a soft luxurious feel and weight. It is available in standard (110#) or double thick (220#) weight. *Other papers are available for special order.*

OUR INKS

We have an extensive ink library and can color match any of the colored envelopes above. Want us to match an ink to your bridesmaid dresses or flowers? Just send us a swatch. *All of our inks are hand mixed so slight variations may occur.*

**Colors displayed will not be an exact representation of the final product. Please contact us for samples.*
